

Illustration of Savings

Eye care costs can add up quickly! From eye exams to frames and lenses, your out-of-pocket costs might make you think twice about getting the eye care you need. By enrolling in a CEC vision plan, you can save up to 77% on routine vision costs. CEC's vision plans give you the vision services you need and the ability to select the eyewear you want at a fraction of the cost.

Annual Routine Eye Exam and Eyewear Costs

Which gives you a...

Estimates based on \$200 annual eyewear allowance, \$0 co-pays and average national eye care costs. Assumes a 25% tax bracket.
