Good News about the 2017 CHS LiveWELL Health Plan

Teammates,

Open Enrollment for 2017 benefits will be held from October 18 through 31. In preparation for Open Enrollment, I would like to update you with some good news about health plan changes for 2017:

- No increases in deductibles, copays or out-of-pocket maximums
- Teammate-only premiums will stay the same
- Family premiums will be reduced by \$10 per pay period
- Teammates will continue to have the ability to earn up to their deductible through CHS LiveWELL Incentives, CHS contributions to their Health Savings Accounts (HSA) and taking advantage of lower premiums

Additionally, this year Open Enrollment is going **green**. The 2017 Open Enrollment Guide and other tools and resources will be available online — on your phone, tablet and computer — the first week of October and throughout the year to help you with your benefits questions.

In the next few weeks, we will provide you with the 2017 Health Plan Summary, including details about the 2017 CHS LiveWELL Health Plan and the CHS Additional Benefits that complement the health plan.

Please know, my team and I are proud to offer you and your family market-competitive benefits, including a wide range of low-cost Additional Benefits to support your unique needs.

Enjoy a wonderful week.
