Did YOU Know?

*The importance of naming a beneficiary
for your retirement account*

Teammates,

As we begin the new year, I want to draw your attention to a simple but important aspect of retirement planning: designating a beneficiary for your CHS Retirement Plans.

When you name a beneficiary for your retirement plans, you ensure that the wealth accumulated in your retirement accounts is automatically passed to the person of your choosing.

Below are the steps you need to take:

- [Click here](#) to log in to your CHS Retirement Plans account at Empower Retirement
- During the set up process you will be asked to designate your beneficiary
- If you already have a login name and password, you can click on the retirement plan name; your beneficiaries are found under the Account Management section
- Be prepared to provide address, phone number, Social Security Number and birth date for each beneficiary you are naming

If you have questions about your retirement benefits or need help assigning your beneficiary, contact Empower Retirement at 800-345-2345.

Please know, throughout 2016 I will continue to provide important information about how to **Plan**, **Partner** and **Participate** with CHS to maximize your health and [retirement benefits](#).
