Your Health and Retirement at CHS

Did YOU Know?

Your Prescription Drug Benefits

Teammates,

To help you better understand your prescription drug benefits with the CHS LiveWELL Health Plan, here are some of the key features of your prescription medication coverage:

- Prescription medications on the 2016 Preventive Drug List (including ACA medications) may be filled one time at any retail pharmacy, then you must transfer the prescription to CarolinaCARE
- Maintenance medications may be filled at any retail pharmacy until you meet your deductible. Once you have met your deductible, you may fill your prescription one time at a retail pharmacy, then you must transfer your prescription to CarolinaCARE
- It is important that you transfer your prescriptions to CarolinaCARE as indicated by the CHS LiveWELL Health Plan; otherwise, you will pay full retail price and your payment will not count toward your deductible and out-of-pocket maximum

The best way to order your prescription medication with CarolinaCARE is online at www.carolinacarerx.org. If you would like assistance setting up your online account or need help, call CarolinaCARE at 1-866-307-9670.

Please know, you may review the 2016 Preventive Drug List and other pharmacy resources at [Your Health and Retirement at CHS](#).

Next week, I will share more information about your health and retirement benefits.

Have a great week.
