## Your Health and Retirement at CHS

# Did YOU Know?

### *Questions about Your Health and Retirement at CHS*

Teammates,

We have reached the sixth week on a 100 percent consumer-directed health plan. Thank you for writing and keeping me informed about how you are contributing to your health and retirement plans. I am impressed with you as healthcare consumers and retirement planners.

The emails you have been sending me are primarily about three topics:

- Your retirement savings in your 401(k) account
- Your dollars in your Health Savings Account (HSA)
- How you are treated as a healthcare consumer

We have been receiving an unprecedented level of calls and emails, which lets me know you are engaged; however, you may experience longer-than-normal wait times, for which I apologize. Let me assure you, the Human Resources team is diligently working to answer your questions in a timely fashion. Remember that you can find answers to many of your questions from our website, [healthandretirement.carolinanhealthcare.org](http://healthandretirement.carolinanhealthcare.org), your HR Workforce Relations representative and CHS Benefits Administration.

Please know, in coming weeks, I will send you emails about retirement savings, financial advisors and your HSA with the rollover of any remaining balance held in the Stanley, Hunt, DuPree & Rhine HSA account funds after March 1.

Until then, be well.

Debra

**Debra Plousha Moore**  
Chief Human Resources Officer  
Executive Vice President

*Together, let's prepare for today and plan for the future.*
