Your Health and Retirement at CHS

Did YOU Know?

Check Your Health Savings Account Balance

Teammates,

Have you checked your new Health Savings Account (HSA) balance lately? One easy way to manage your account is with the Bank of America HSA mobile app. Through the mobile app, you have the ability to:

- View your account balance and payment activity
- Securely store and organize receipts
- Submit claims

If you are interested in learning more about the HSA mobile app, [click here](#) for information from Bank of America.

Please know, with your HSA you also have access to [tools and resources](#) developed by Bank of America to help you understand how to use and manage your account.

If you have benefits questions, you can get answers anytime, anywhere, on any device at healthandretirement.carolinashealthcare.org.

This week and always, be well.
